

# Don't Pay to Spay

Project #

21-602

---

County: Caroline

Number of Cats Spayed: 40

Number of Dogs Spayed: 22

Number of Cats Neutered: 35

Number of Dogs Neutered: 10

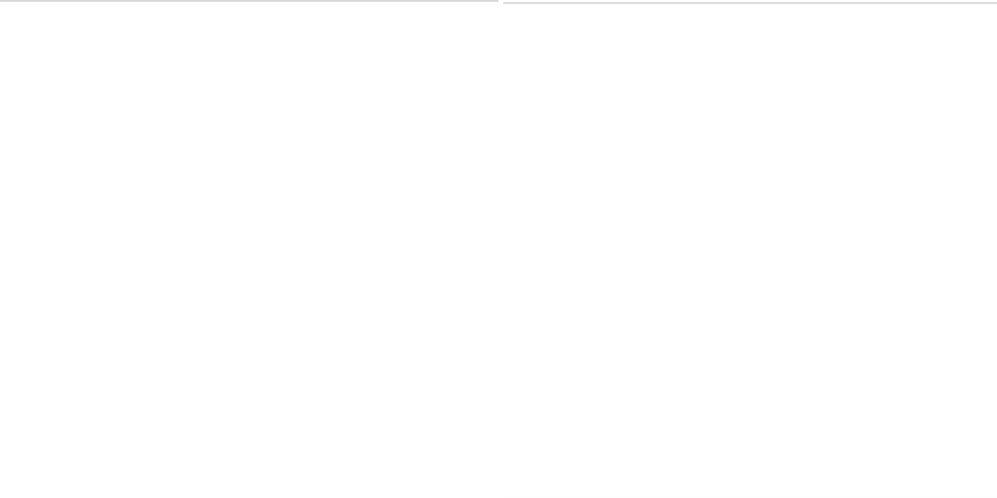

Amount Received: \$7,345.00

Amount Remaining (to be returned to MDA): \$0.00

---

## Project Synopsis:

Through the use of this grant many people in our county were able to spay and neuter more pets to help control the unwanted pet population. Rabies vaccines were also provided when needed.

Maryland Department of Agriculture  
Spay and Neuter Grants Program

## **Project Description:**

The Caroline County Humane Society (CCHS) will provide free spay and neuter surgeries and rabies vaccinations to pet cats and dogs belonging to low-income residents of Caroline County.

## **Summary of Approach:**

Applicants are scheduled in order of receipt of application as much as possible. We have limited spaces available at standing Wednesday appointments at Spay Now in Grasonville and the appointments must be balanced with half male, half female surgeries as much as possible. Public using the grant are called to schedule an appointment and given a few opportunities to schedule. If they cannot schedule within a reasonable time we move on to the next in line. Follow up is made to the applicants that missed appointments and they are rescheduled.

## **Accomplishments:**

Our new staff members came onboard in the middle of this project and took over the tasks. Communication with the community has improved.

## **Lessons Learned:**

We have new staff and better organization going into 2022. We have learned how to better schedule the public to ensure less no shows for appointments.
